

*Where morals and values meet academic excellence*

### ***Eighth Grade Dress Down Coupon Fundraiser***

Eighth grade is hosting its first fundraiser of the year to help raise money for Class Night and Graduation. They will be selling dress down coupons to all of our students and faculty. Each Coupon book is \$15.00 and contains seven coupons with designated dates on them. The money from the coupons will go towards the cost of Class Night and Graduation. We thank you for your help and dedication to our eighth graders. They are good kids who are working very hard to get into the high school of their choice. They deserve the opportunity to create memories in their final year that will last a lifetime.

Checks can be made out to St. Cecilia School and sent directly to the office with this paper attached. We appreciate your continued support of St. Cecilia School and the class of 2018.

Sincerely

Ms. Myers
