Dear Mrs. Mary Testa and St. Cecilia's School,

We are continually overwhelmed by the spirit of giving of our donors. We cannot thank you enough for your gracious donation of baby items. It was so precious to know that the middle school students threw a Jesus shower. You all make a huge difference in many, many lives of the mothers and babies serviced here. Thank you for making miracles happen by your constant support and for coming alongside us in this vital ministry.

As always, we will keep you and your loved one's intentions in our daily prayers and know that the gratitude of the staff and clients is yours.

May God bless you and may all your days be filled with His love and peace.

With Gratitude,

Gail Faraj-Musleh  
Executive Director
